

Village rally

Explanations

A small village like Bütgenbach can hide a lot of secrets: old buildings, important people, unusual paths.

You're about to set off on a journey of discovery. Use the map to find your way.

The **swimming pool building/Venntastic Beach** is your **starting point**. Follow the **path marked in red** on the map. The red circles with numbers are the places where you will have a question. Write the answers on the attached sheet.

I wish you lots of success and fun!
